REIMAGINING READING FOR A NEW GENERATION

PERSONALISED

DIFFERENTIATED

INSTANT

EFFORTLESS

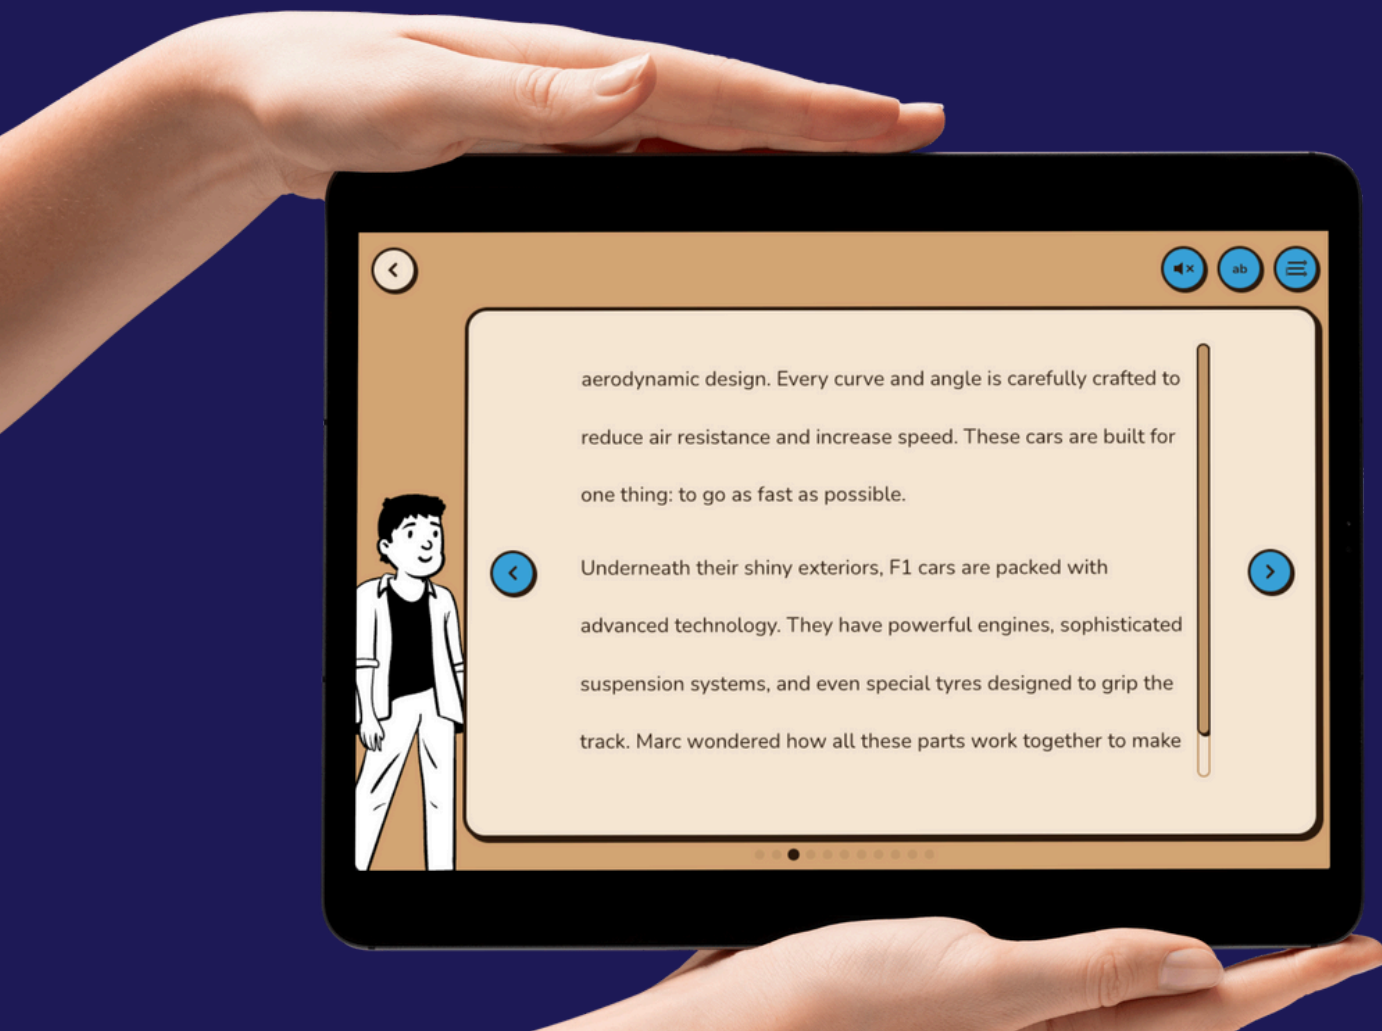

MEET EVERYBODY READS

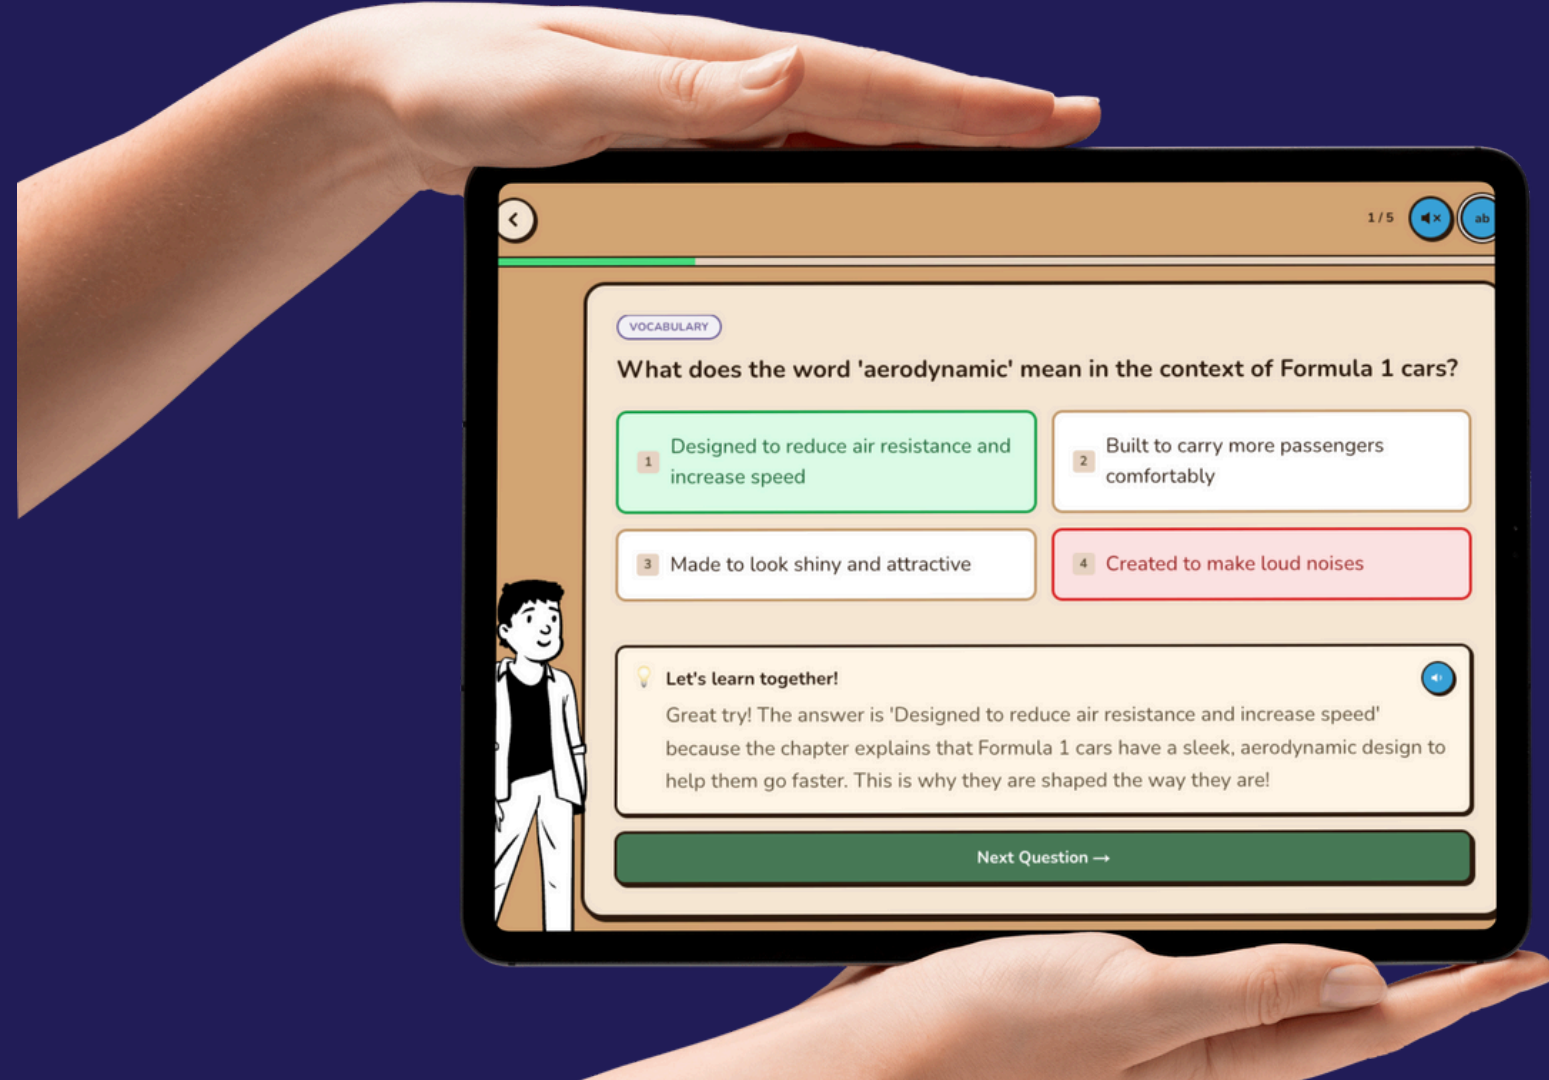

PERSONALISED

AI texts built from the interests and passions of the students. They curate their own adventure.

DIFFERENTIATED

Levelled to the reading age of each students with dynamic automated progression.

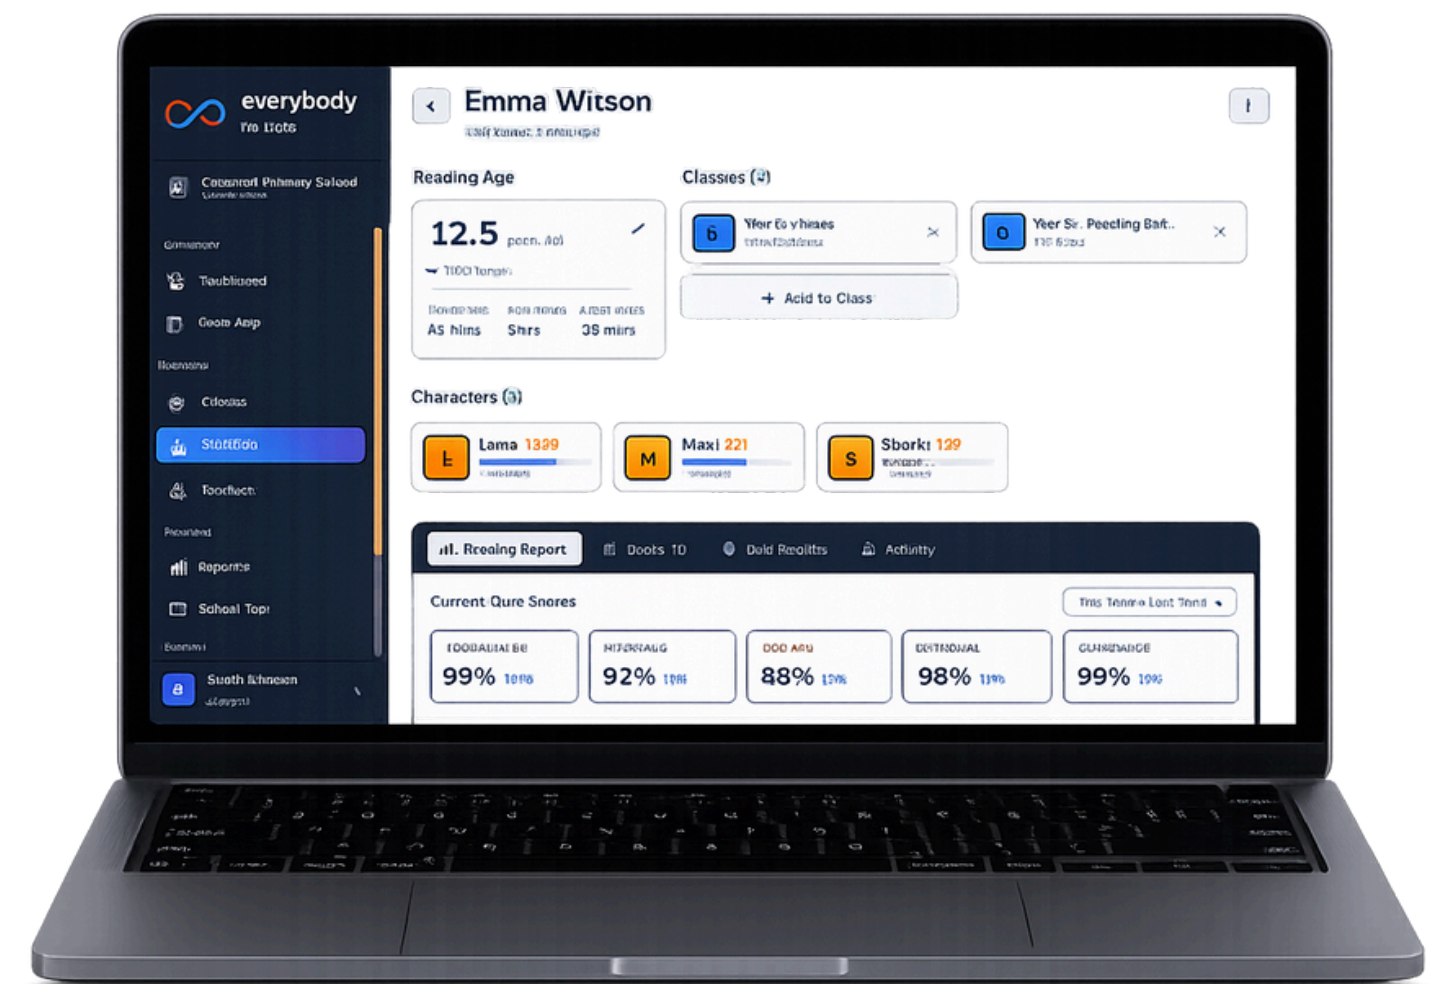

INSTANT

Regionally adaptive assessment model.
Comprehension feedback in real time.

EFFORTLESS

Sector leading data insights.
No planning. No marking.

INCLUSIVE.

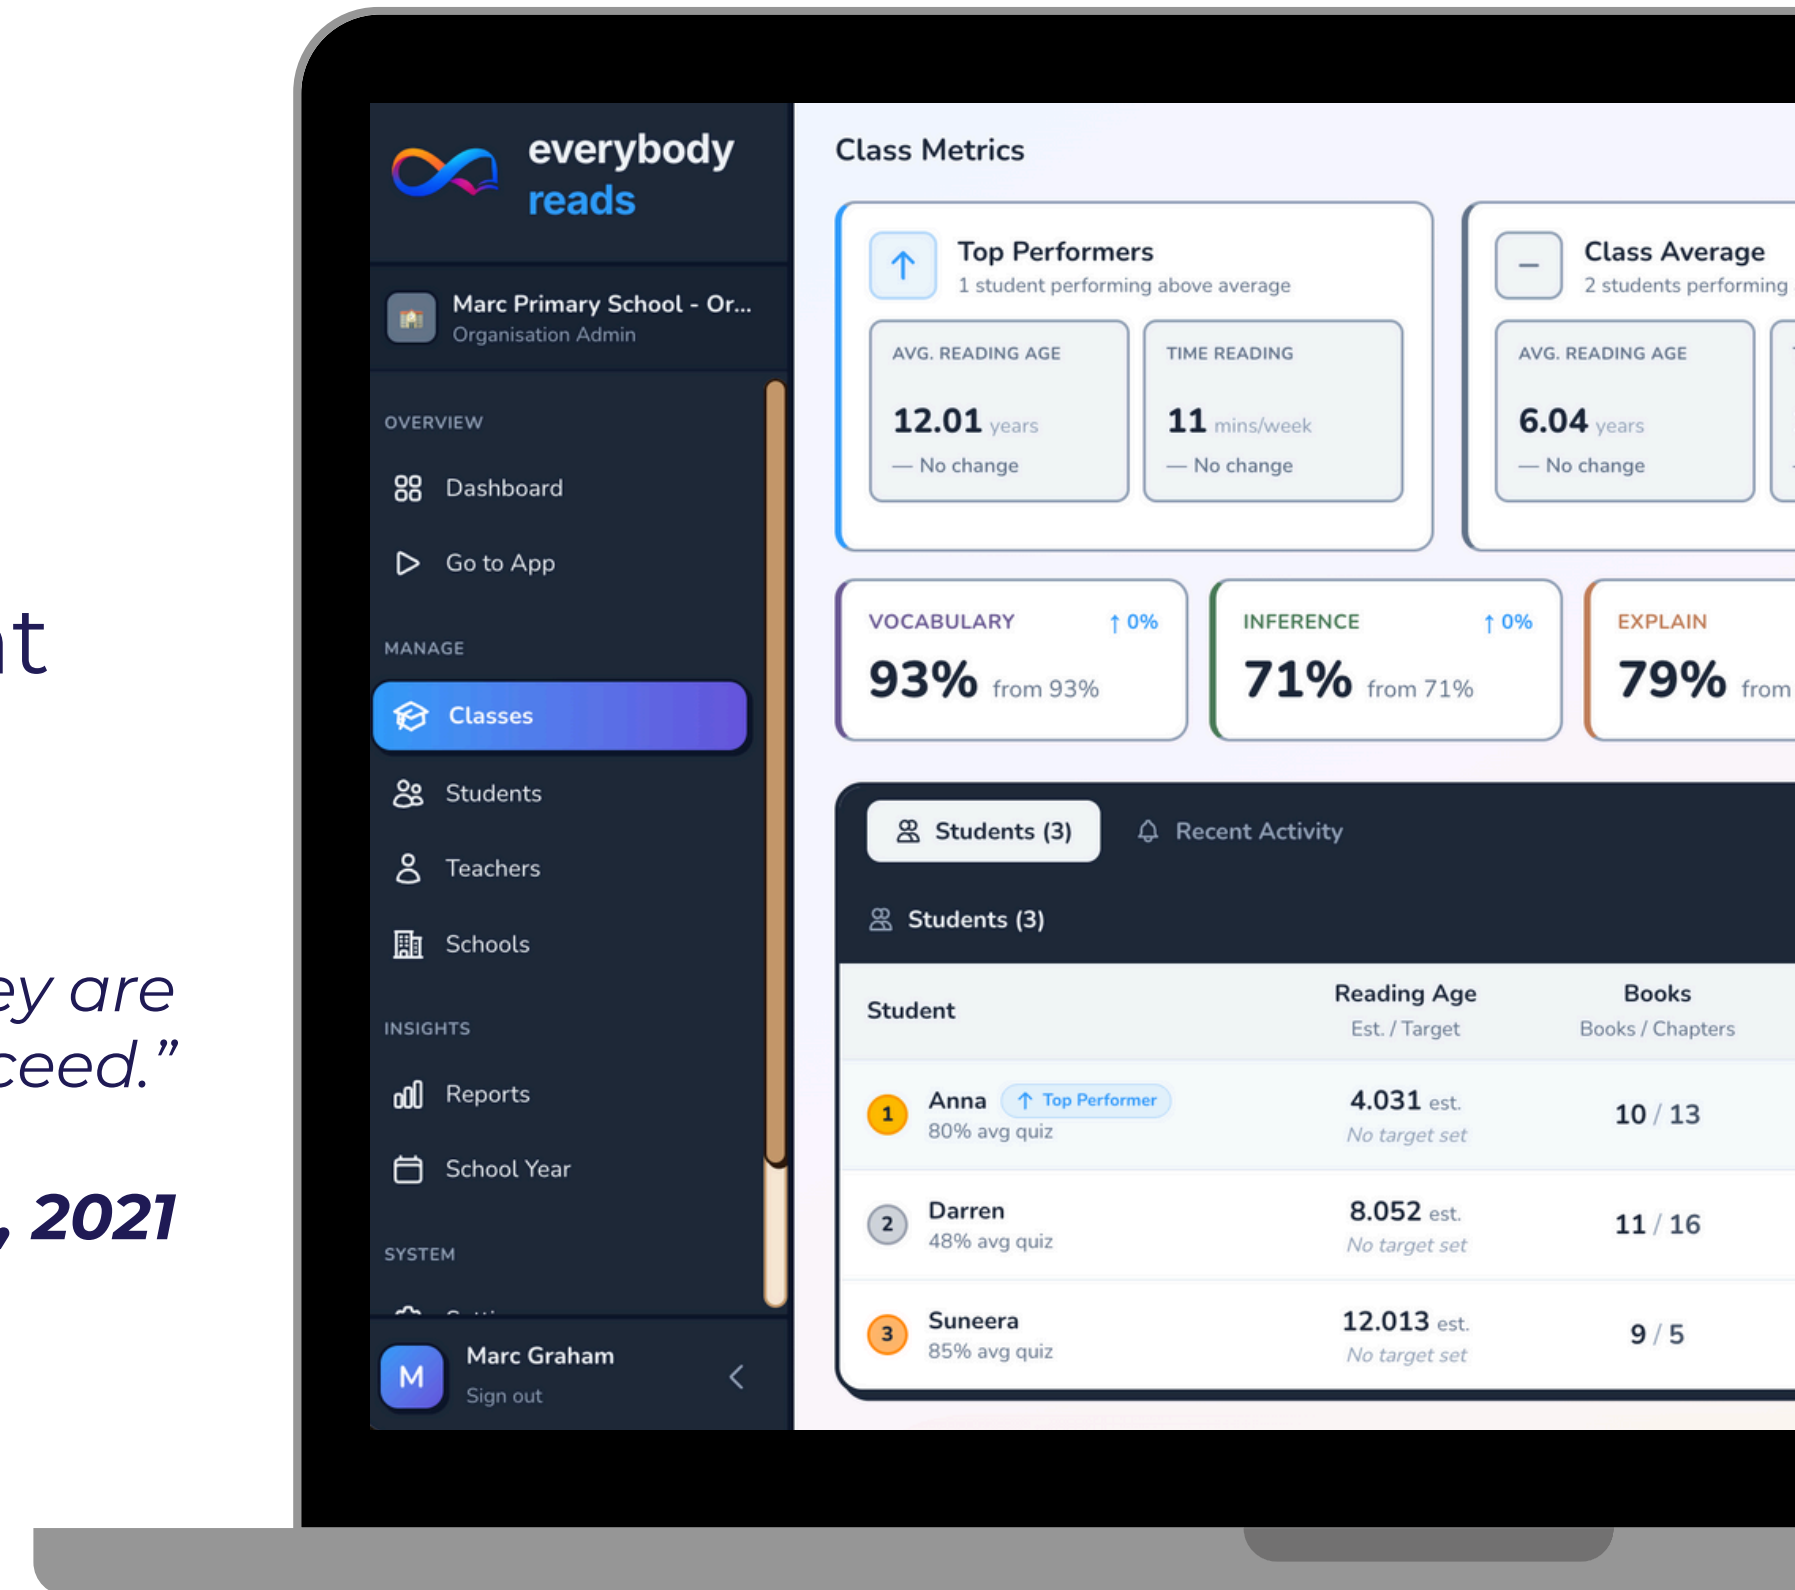

SAFE.

BUILT IN BASELINE ASSESSMENT

- Determines learner's reading age
- Teacher adaptable
- Every student starts at the right point

“When texts are matched to a child’s reading ability, they are more likely to persevere and succeed.”

Education Endowment Foundation, 2021

- Create your own characters - built in your image
- Familiar. Or fantastical.
- Students feel seen and represented
- Imagination without limits

BE THE HERO OF YOUR OWN STORY

STUDENT CURATES THE TEXT

- Student-led storytelling
- Choice drives engagement
- Ideas become books
- Ownership fuels reading

“When students see themselves represented in what they read, their motivation and engagement increase significantly.”

National Literacy Trust, 2021

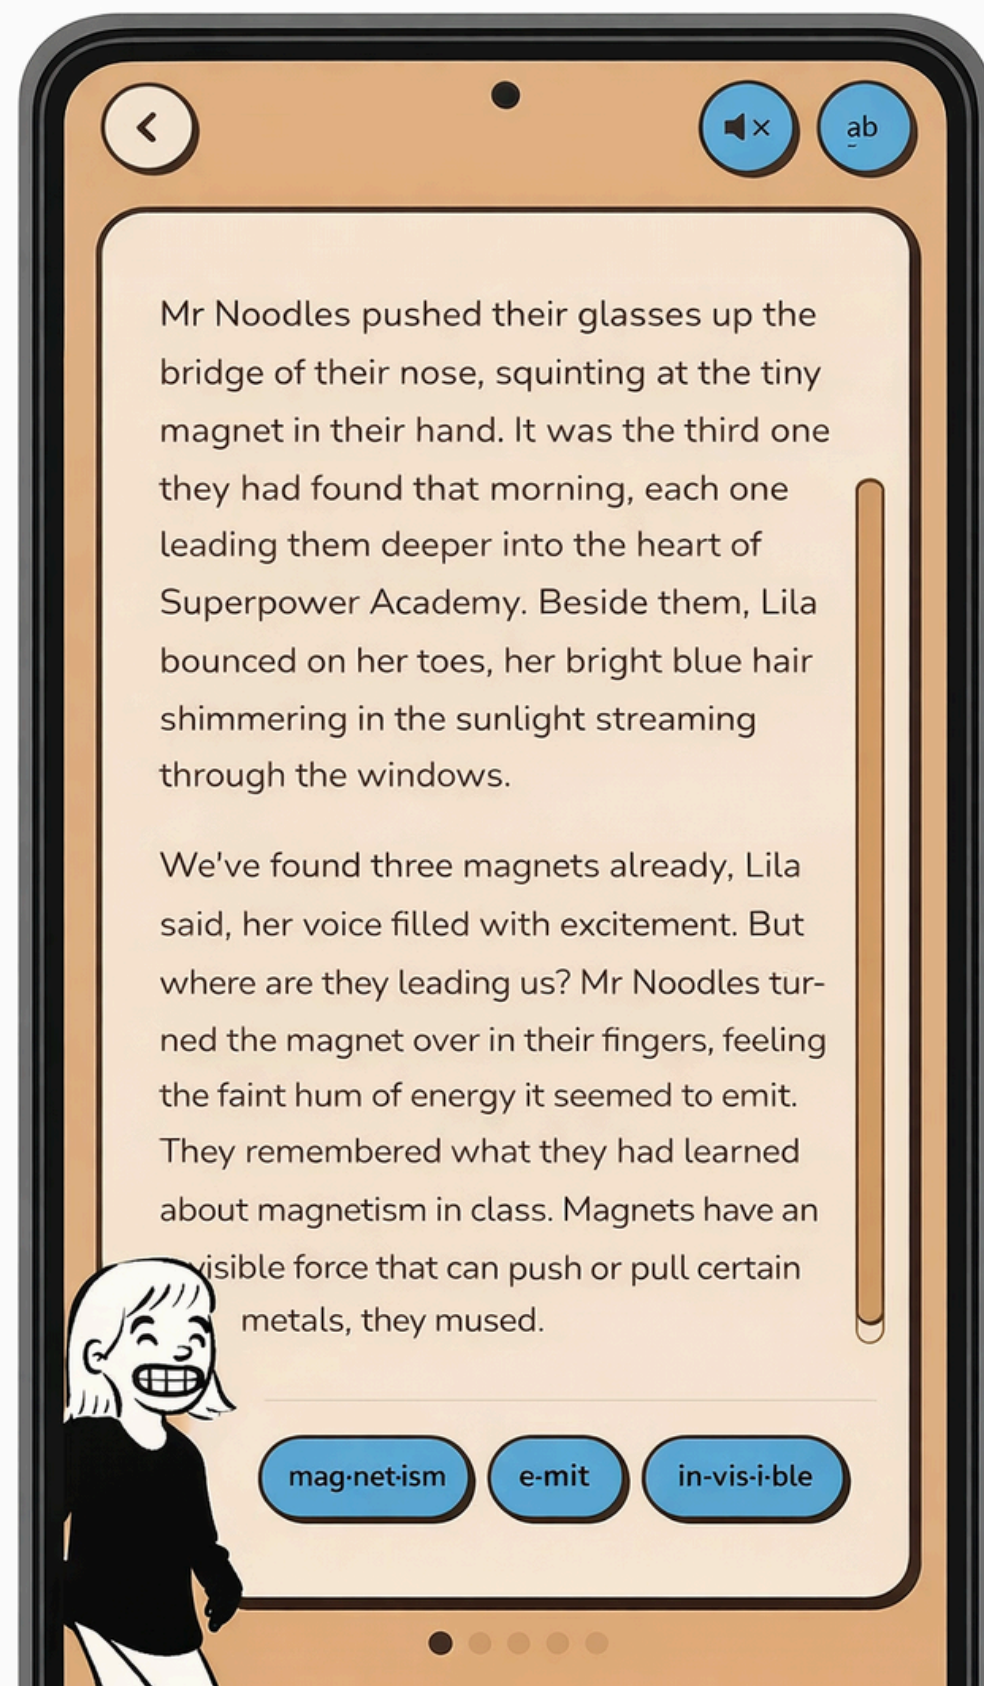

UNLIMITED LIBRARY OF TEXTS

- Infinite reading library
- Fiction and non-fiction
- Student-created books
- Teacher-assigned texts

**ONE PLATFORM.
ENDLESS READING PATHWAYS.**

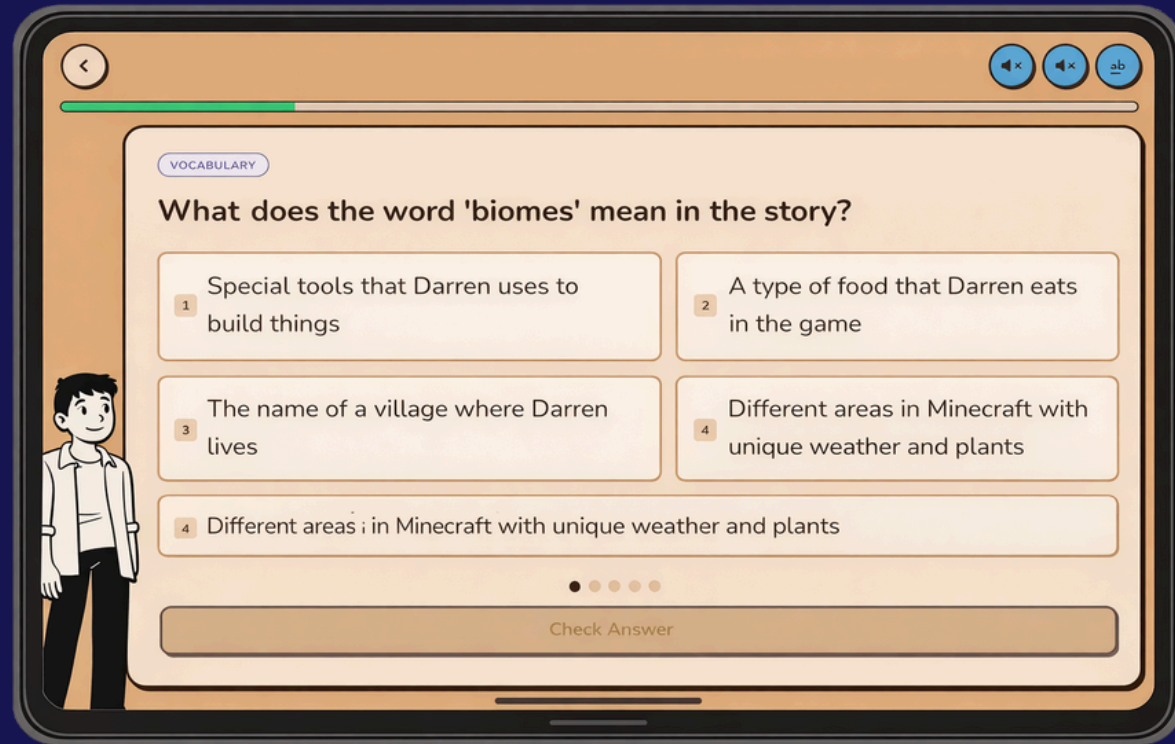

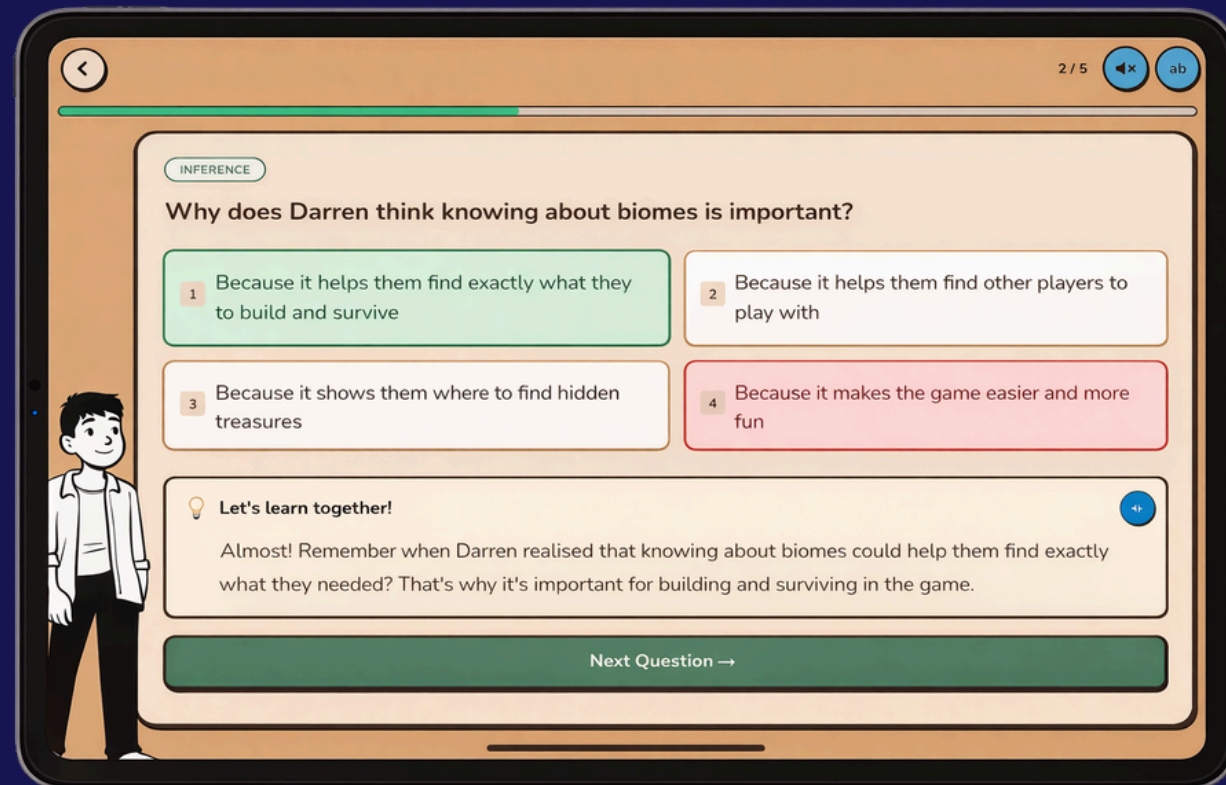

- Dyslexia-friendly design
- Built-in text support
- Word meanings revealed
- Syllables made visible
- Decode with confidence

READING EXPERIENCE & ACCESSIBILITY

ASSESSMENT FOR ALL

- Instant formative feedback
- Skills-based comprehension
- Learning happens immediately

“Feedback has a high impact on learning outcomes.”
EEF Teaching & Learning Toolkit

TEACHER DASHBOARD & CLASS INSIGHTS

“Technology can reduce teacher workload when it streamlines assessment and feedback.”

UK Department for Education

- Whole-class visibility
- Identify support needs
- No marking required
- Time-saving insights

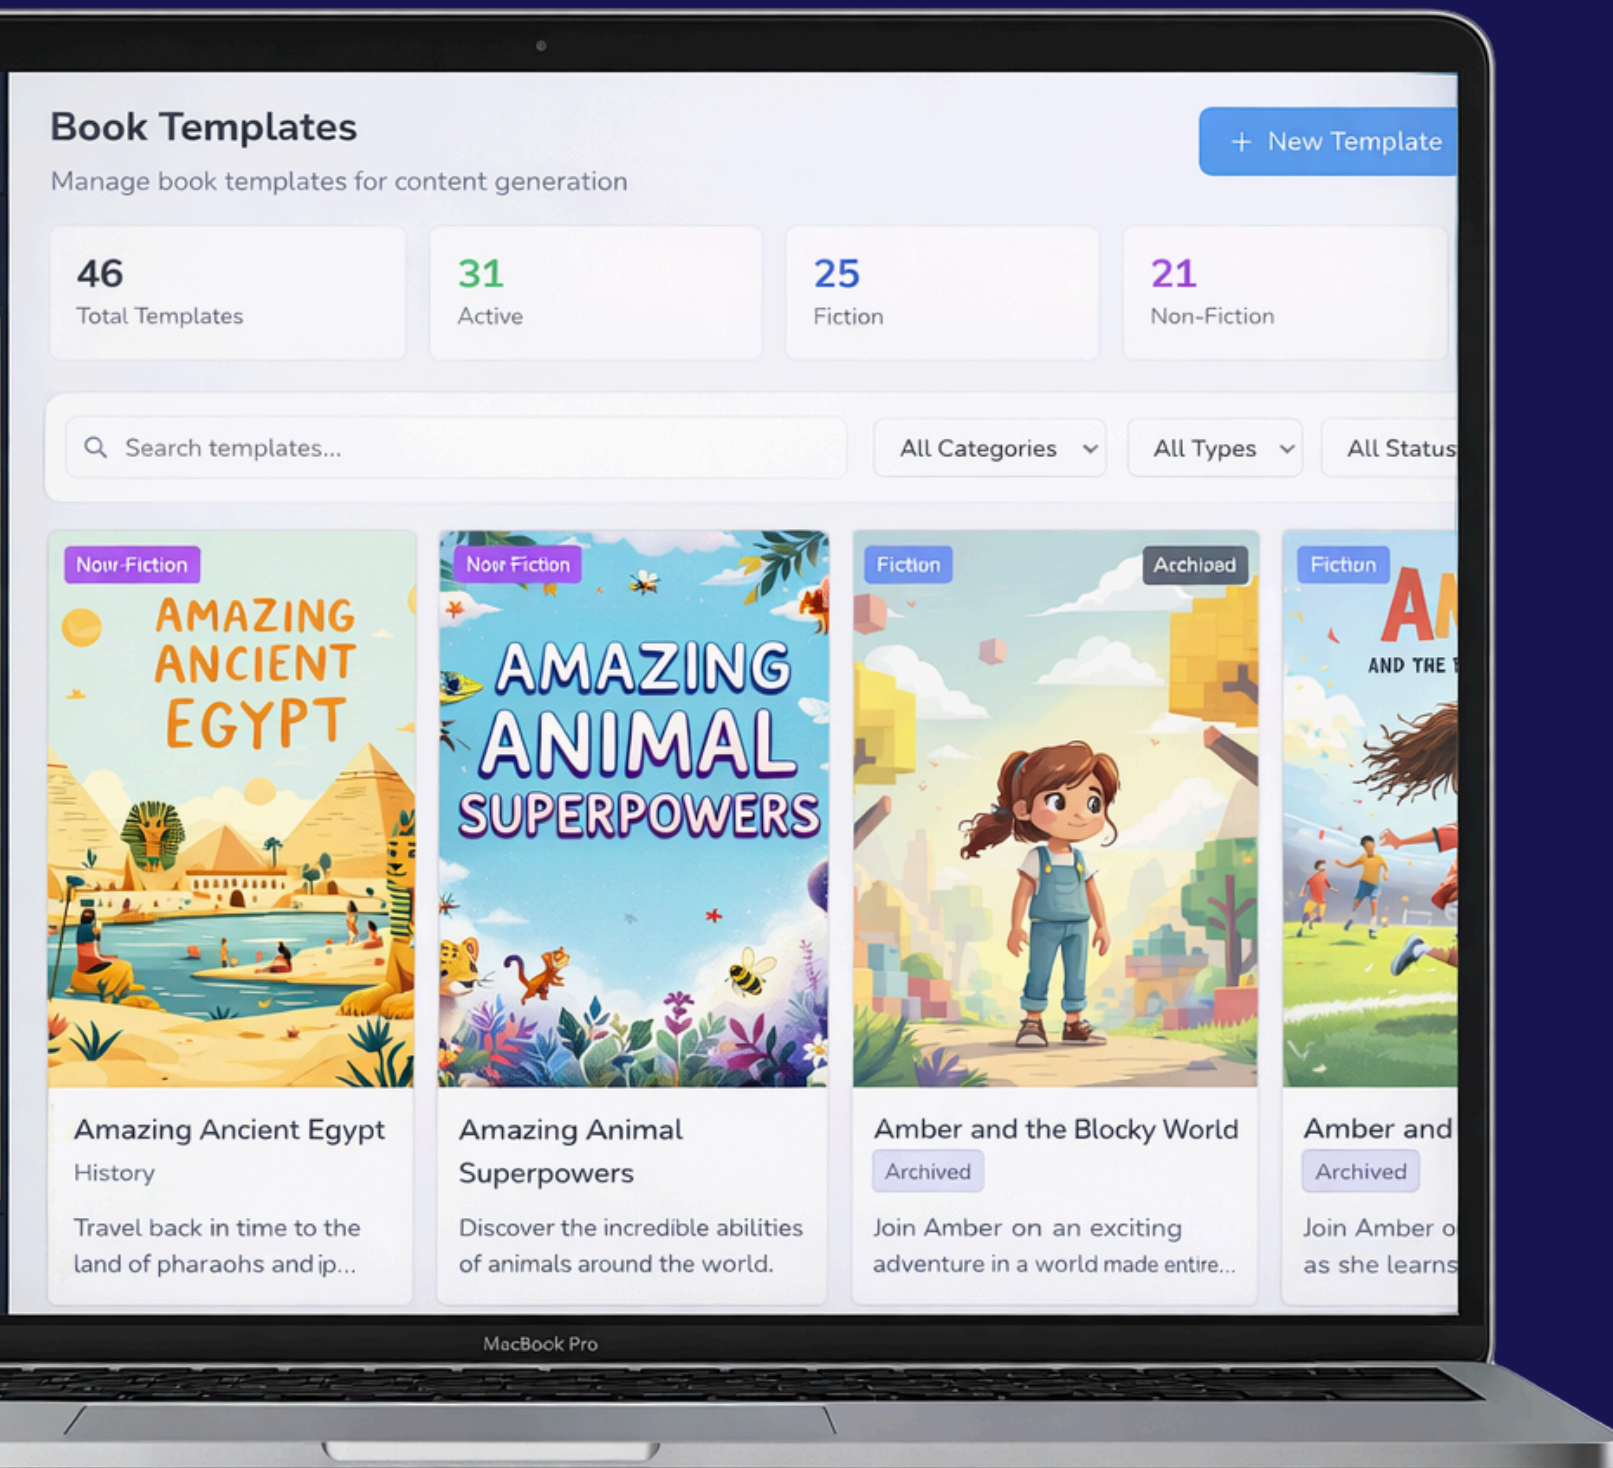

ADAPTIVE READING AGE OVER TIME

- Daily progress tracking
- Responsive intervention
- Adaptive reading level
- Growth over time

TEACHER OVERSIGHT & CONTENT CONTROL

- Full content visibility
- Teacher-led creation
- Safe by design
- Oversight into everything student created

TEACHER ASSIGNED BOOKS

 **Generate with AI**
Describe your book idea

Book Type

Fiction
Stories with plots

Non-Fiction
Educational facts

Book Concept *

ancient egypt

Describe the main idea, themes, or subject matter

Category (Optional)

Let AI choose

Target Age Range

8-10 years

East Renfrewshire Council

Adopted by some East Renfrewshire schools - a leading Scottish local authority.

Daniel Quinn

Head of Technology, British International
School of Chicago

*“Since introducing Everybody Reads, my class’s comprehension scores have noticeably improved compared to the group that didn’t use it. **It’s taken a huge load off my teacher’s planning**, and the students are genuinely excited to use it.”*

TEACHERS LOVE IT

KIDS DO TOO!

Emma
Year 5 Student

*"I never liked reading before, but
now I can make stories about
anything I want — **it's actually fun!**"*

MARC GRAHAM

Distinguished
Educator

Veteran teacher with 15+ years of global classroom impact, with leadership roles across both international and state education.
